

Fall 2023 Progress Report Announcement

2023/Aug./15

Dear IMM faculties and students:

In order to train our students with great communication skills in scientific research, the second-year IMM students have to report their research progress by both poster (first time) and oral presentation (second time). The event of IMM poster presentation this year will take place on **2th Nov. (11/2/2023)**. In addition, students need to prepare **a print of the poster** to be posted on the hallway of 3rd floor of IMM **by 30th Oct., 2023 at 5:00pm.** The second-year students will join this activity as the speaker, and be separated into two groups depending on their research field. Group list will be announced later. Please email your **one-page abstract** to IMM office (imm3556@gmail.com) and two instructors (**Drs. Hsiu-Chi Cheng** (teishuki@mail.ncku.edu.tw) and **Chun-Hsien Chu** (z11108008@email.ncku.edu.tw) **by noon on 25th Oct, 2023.** Delayed submission of the abstract will have the score deduction for your presentation.

Each speaker has 15 minutes for poster presentation, followed by 5-minute discussion. Be aware that time will be strictly controlled. Participation in the two activities is required to IMM students for graduation.

Instructors:

Drs. **Hsiu-Chi Cheng** and **Chun-Hsien Chu**

Poster version:

The poster should include the title, the author, and author's affiliation.

The presenters are allowed to use either English or Chinese to present the poster.

The figure and word on the poster should be clearly visualized 1m far away by the visitors.

The size of the poster is about Height 150 x width 90 cm with the vertical version.
